Oak Hill, FL - Burns SciTech Charter School is thrilled to announce that all students enrolled in the upcoming 2025-26 school year will receive complimentary/No Charge breakfast and lunch. This initiative is made possible through the Community Eligibility Provision (CEP) under the National School Lunch Program and School Breakfast Program.

The implementation of the CEP at Burns SciTech Charter School ensures that every student can start their day with a nutritious breakfast and have access to a well-balanced lunch. By eliminating financial barriers, the school aims to foster an inclusive environment where all students can concentrate on their education without the worry of hunger.
