"Creating the Future"

2026-2027 School Year Enrollment
It is mandatory to read, complete, and return this form by
February 27, 2026, to hold your spot for the 2026-2027 school year.

Dear Families,

This has been a very exciting school year at Burns Sci-Tech. We are proud of our students and all they have accomplished this year. We are an "A"-rated school because of our outstanding students, parents, and staff. Our campus is thriving with education, activities, and fantastic parent involvement. We are grateful for your support and eager for what's to come in the 2026-2027 school year.

We currently have a growing list of 1,500 students wanting a place at Burns Science and Technology Charter School. Our current students and their siblings are our first priority. Please complete the form below for students returning to Burns Sci-Tech in August 2026. If there are **siblings of current students, please fill out an application for the 2026-2027 school year on our website based on the grade level your student will be in starting August 2026.**

Please complete the form below by printing the required information (legible handwriting). Return the form to the high school office no later than February 27, 2026.
